

OUR MISSION

To share the great values of a Good Samaritan while developing your abilities in tennis and to create long lasting bonds. In this league, understanding and respecting other's differences would be the key to the club's success. Being a good sport and putting others before you will be at the heart of the club. The club has acquired the services of Club Pro Horacio Loo who will be part of ongoing improvements of the club. The club will also develop programs for people with disabilities so they too can play.

RGSSL TENNIS REQUIREMENT

All you will need is a bottle of water
(Racquets can be purchased through us as we will have discounts with OTA & Kundstat Sports for our Members)

LOCATIONS

LION'S PARK TENNIS COURTS
MUNSTER TENNIS COURTS

STARTING SEASON 2023 OF TENNIS

ONCE THE SNOW IS ALL GONE AND THE NETS ARE UP

Season 2022, Horacio, and I have developed Richmond Community Team Tennis with the Champion of the Court Format. We look towards season 2023 to implement it to all ages as it helps you focus on different elements of the game in separate stages, and it makes grasping the sport of tennis easier and fun. RCTT is a winning formula.

Registering early will build the liquidity the club needs to create affordable programs, leagues for different levels of play and resources for people with disabilities so they too can play without a higher price tag attached to it. As some interest has been shown for Pickle ball, the Club is open to supporting any group wanting to start lessons. The Club will also cooperate with the City of Ottawa so it can grow.

WHO KNOWS, MAYBE THE NEXT ATP/WTA CHAMPION WILL COME FROM THIS CLUB
